

# Proposal for Small Group Study

We are the Grove City Alliance Church and are interested in promoting small groups for Bible studies, Christian book studies, fellowship, and prayer. If you are interested in becoming a small group leader please fill out a leader application as soon as possible and turn it in to the office to get Pastor/elder approval.

In normal circumstances the church can help by providing the leader with the teaching material such as a study guide, leaders guide, or VHS video, or DVD. In order for us to facilitate that purchase through our Discipleship Budget we need your group to be approved first. You are welcome to pay for all materials yourself but we prefer to use the church accounts to do purchases. Please fill out this form and drop it off at the church office. If you have any other information about the study please include it on the back of this sheet.
